Registration

Please e-mail us to register your intention to enter by dropping a line to keith.tatman1@btinternet.com You don't have to register and any score sheets submitted will be included, but you'll help our admin a lot if we know you're joining in :-)

Score sheets and submitting them

A combined entry and score sheet appears on the next page of this PDF. Please print the sheet, complete the entry details and record your score while shooting, as per normal. If you shoot more than once you'll need to print multiple sheets, but please ONLY send your highest scoring sheet.

Hits and golds must be marked. Illegible sheets will not be included so please write clearly and provide a good scan or photograph.

Your score sheet must be signed by an officer of your club, and paper sheets scanned or photographed and e-mailed to both keith.tatman1@btinternet.com and dcitsme80@gmail.com

Team entries

You can make one team entry for your club, either a team of three recurve archers **or...** a team of three compound archers. Select your three best individual archer scores, group them together and submit them as a "Team Entry". Those sheets will provide your team result. Each archer in the team will also be entered as an individual archer (as per any regular tournament).

Results

Results will be posted on the Talisman Bowmen website during the second week in February 2021.

This tournament is covered by the Talisman Bowmen Data Protection Policy and details are available at <http://talismanbowmen.com/wp-content/uploads/2018/10/Talisman-DataProtectionAcceptance.pdf>.
